NOTICE ABOUT MODIFIED ENDOWMENT CONTRACTS

A Modified Endowment Contract (MEC) is a special type of life insurance policy under federal law. Generally, a life insurance policy is a MEC if the policy is purchased with a single premium or if premium payments exceed the limits established by the Internal Revenue Code. If the policy is or becomes a MEC, any distribution (e.g. policy loans, withdrawals, assignments and surrenders) is subject to income taxation to the extent that there is gain in the contract. There is gain in the contract if your cash value exceeds the premiums paid into the policy. In addition, a 10% penalty tax will apply on any taxable distribution unless the owner is age 59 1/2, disabled, or takes substantially equal payments over life expectancy.

TAX WITHHOLDING ELECTION

Your withholding election will remain in effect until it is revoked by you. Please consult your tax advisor, if needed, before making a withholding election.

We will withhold federal income taxes at a minimum rate of 10% of the taxable portion of the distribution and forward that amount to the Internal Revenue Service (IRS) on your behalf. Alternatively, you can elect not to have taxes withheld from the distribution. If federal withholding of less than 10% is requested or if no election is made, the distribution will be processed with 10% withholding.

In addition to federal income tax withholding requirements, state income tax, if applicable, will be withheld. Please note, there is no state income tax withholding for the following states: **AK, FL, NV, NH, SD, TN, TX, WA, WY**. In addition, Sagicor does not process state income tax withholding for the following states: **NY** and **CT**. For these states, Sagicor will not withhold state taxes even if you elect to do so. Choosing not to have either federal or state (if state is applicable) income taxes withheld may result in personal income tax liability when your taxes are filed. Consult your tax advisor for more information.
